Having a Valentine's Day ball

Vista Grande Inn volunteer Betty Biggins dances and sings with Madison House Assisted Living resident Jim Posey during the Sweethearts Ball on Saturday afternoon at Vista Grande Inn. Vista Activities Director Kim McDonnell said residents from Madison House, Vista Mesa Assisted Living, Aspen Gardens Assisted Living, and Valley Inn in Mancos attended the event. "It gives them something to look forward to ... and we enjoy seeing the other residents," McDonnell said of the annual event. "It's just a whopping good time."
