Fun Olympic Facts

- Colorado is the only state in history, to turn down the Olympics. In 1976 the Winter Olympics were planned to be held in Denver.
- The five interlocking rings of the Olympic flag symbolize the five continents of the world (Africa, Asia, Australia, Europe, and the Americas) "linked together in friendship."
- And you thought they just used a match. Did you know that traditionally the Olympic flame in Olympia, Greece is rekindled every two years using the sun's rays and a concave reflective mirror?

The Cliffview residents and staff
love the Broncos!
Maybe next year!

Administrator Greeting

Hello, my name is Jeff Pexton. I am the administrator of Cliffview Assisted Living Community. I am excited that we will be publishing a more "regular" newsletter going ahead and providing our readers an up to date view of our home.

Thanks to **Jim Cartwright**, a current Cliffview resident, and **Darcee Biekert**, a member of the staff, the newsletter is now a reality.

We at Cliffview are committed to support our resident's quality of life and provide daily assistance according to each individual's needs and wishes. We are proud to offer the culture of person-centered care and provide a "home-like" environment to your loved ones.

Cliffview received certification as a Dementia Care Leader with the Alzheimer's Association in 2013!
75% of the staff have been trained in the Cares program!

Winter Wonderland

It is winter time in our beautiful town of Kremmling and the western part of Grand Country. Snow covers the ground along with the very cold temperatures, day and night, that goes with the season. There are lots of activities during the month scheduled by our activities director for our pleasure and enjoyment. Sunday worship, bingo, movies with popcorn provided, musical concerts and group visitors.

Enjoy yourself in this beautiful country and know that Colorado is a great place to live! Stay warm!
