## Eagle Scout Builds Flower Bed for Cinnamon Park

A new flower bed has been completed thanks to Eagle Scout candidate, Chance Robinson. Chance and his scout troop assembled the timbers to create a 60 foot long flower bed. Benches will be placed along the front edge for residents to stop and pause to enjoy the beautiful flowers and facility grounds. Residents stated they would also like to have fresh flowers in the dining room and hope they can also use the flowers from this bed for that purpose. The flower bed is located on the south edge of the property, adjacent to the vegetable garden. Many thanks to Chance and his scout troop for building this flower bed for us. This is the final project required for Chance to obtain the rank of Eagle. A prestigious honor indeed. Congratulations and Thank You Chance!!!

## What's in a Name?

*Cinnamon Park opened for business in 1989 and named our two houses, "House A and House B". Over the years I have had many people tell me our house names lack character and originality. I would not argue against those statements. At a recent Resident Council meeting we discussed the idea of coming up with new names for our two houses. Many residents were excited and submitted a list of various names. It was interesting the ideas I received. Some went at it some the standpoint of listing various appealing spice names (after all we are called **cinnamon** park,). Another individual focused on our logo which is an apple and then submitted a list of appealing apple names. All submissions were good ideas. When I visit other senior communities, I see that they have names for their various buildings, even hallways. It creates a warm personal feeling, besides offering direction clarification. I can see why the effort is spent to discern a nice name for a respective area or building.*

*It is our desire to make a name change for our two houses and we are asking for your input. A box will be placed in each house in the entryway, for submission of names. We will be collecting these ideas until August 18th and encourage EVERYONE to cast a vote and share their ideas. We will present the name options at the August Resident Council meeting and the residents will decide our new names. We will be hosting an Open House during National Assisted Living Week (September 9th-15th) to announce and celebrate our new names. Watch for the ballot box and submit your vote. We look for forward to an exciting naming campaign!*
