

# Cinnamon Park

January 2015

## Assisted Living

### Here's to an Exciting Year Ahead! Happy New Year !

Our 2015 goals, opportunities and special events are already underway. Let me share a few projects already in action.

We are continuing our journey of Culture Change. Cinnamon Park was the beneficiary of a year long grant from the Colorado Health Foundation. Watch the monthly calendar for events entitled, "Community Pathways". Everyone is welcome to attend those meetings.

We have selected the architectural firm and plans are already underway on the development of the land adjacent to our first house, Green Meadow. We will keep you posted on this exciting project.

Our Family Holiday Dinner, hosted on December 14th was a great time of sharing around the table. Next year we will be presenting our biennial Christmas program, handmade by the residents and staff. Given our amateur status, we need to start now with the planning of this event. We always put our heart and soul into this project. If you would like to be involved, please contact Janell Kennedy, our [Activity Coordinator](#).

### THANK YOU FOR THE GIFTS

Cinnamon Park would like to thank St. Frances of Assisi Catholic Church and Life Bridge Christian Church for the incredible Christmas gifts they gave our residents this year. Residents received items specific to their needs and interests. They also were given gift cards to Walmart and Dollar Tree, two of their favorite places to shop. It was a spectacular outpouring of generosity and love !!

### Now Accepting Resident Applications

We currently have openings in our private bedroom units. These cute bedrooms include a half bath, ceiling fan, medical call system, individual thermostat controls and swamp

cooling. Each room can be decorated to your personal preference with your own furnishings. All bedrooms are located close to the shared living room areas and our central dining room. Everybody comments on our quaint cozy atmosphere. Our name comes from our street location (Cinnamon Street) and our grounds reflect a park atmosphere. You can obtain an application from our **Web Site** or drop in for a tour and pick up an application during your visit. You can also call us to schedule a tour and have a meal with us. [web site](#)

Cinnamon Park Assisted Living  
1335 Cinnamon Street  
Longmont, CO. 80501

A Senior Housing Options, Inc. residence  
serving older adults in Colorado for over 30
