

Fall Greetings From Cinnamon Park

Excitement still abounds from our enjoyable week at sea during National Assisted Living Week (September 13th-19th). We (virtually) traveled the Mediterranean coast, visiting five different countries. See pictures below for a taste of our special week.

October Events

Our recent Fall drive over the Peak to Peak Highway was breathtaking. We will soon be heading up to Estes Park to catch a view of the elk. Jennifer, our Activities Coordinator has many trips scheduled for October, including a tour of the Hammonds Candy Factory, bowling at Centennial Lanes, Longmont Senior Center events and lunch outings. Our Halloween Party will be Friday, October 30th at 7pm. [October Event Calendar](#)
