

Cinnamon Park

September Newsletter

National Assisted Living Week

Cinnamon Park will be setting sail on Grandparent's Day, September 13th for a cruise to the Mediterranean. Be prepared for lots of excitement as we transform our home into a cruise ship. Guests are welcome to participate in all the events, but we especially hope you will attend our Casino Night and Captain's Dinner. See the [September Event Calendar](#) for details.

What's all that Noise?

If you drove up to Cinnamon Park at end of August, you would have heard the pounding of hammers or nail guns as our new roofs were being installed. With the new roof will also come new exterior colors. How Fun!!

Rummage Sale Raised \$1,700.00

"Good job" to the many residents, staff and families who made this event such a success. All proceeds from the event go towards our resident Activity Fund. The residents have indicated an interest in purchasing an electronic piano.
