

Jeff Pexton
Administrator since 2009
Cliffview Assisted Living Residence

Jeff has worked extensively in the Grand County both as a successful business owner and banking leader. Jeff and his family have lived in Grand County since 1980 and he has been an involved citizen and an advocate for improving the health care options in the community. He has been the chairman of the Grand County Rural Health Network since its inception and is a member of the Grand County Health Advisory Committee. He was a Kremmling Memorial Hospital District Board Member for 8 years and currently serves as chairman of the Middle Park Facilities Corporation, which owns the new facility being constructed in Granby. He was also involved in the creation of the Kremmling Chamber of Commerce and served on its board. His wife, Marty currently works at the Chamber.

Jeff has worked in the banking industry since 1981 and served as the Finance Director at the Hospital. He is a graduate of the Colorado Graduate School of Banking and has been a resident of Grand County since 1980. Jeff brings not only a strong sense of leadership and experience, but also a deep loyalty to the community that people have come to expect in Kremmling. His commitment is evident in his choice of positions, both paid and volunteer, and in choosing Grand County as his home.
