

How to Apply for Subsidized Apartments

To ensure that we are able to meet the unique needs of each applicant, please complete the following five-part admission process. This includes:

1. A complete **application**, including a financial disclosure of your income and assets. This is used to determine eligibility for our subsidized housing program. You may also be asked to verify your income and assets.
2. Original **Social Security Cards** for all family members.
3. **Birth Certificates** or Other immigration document for all family members.
4. **Current Drivers License** or Other Government issues identification.
5. Signed **Consent Forms/Release of Information**.

Security Deposit: Each resident is required to make a security deposit. This deposit will be the same as the monthly rent.

Please maintain contact with the Apartment Manager about the status of your application. Each Property maintains a separate waiting list so contact each property directly to check on the status of your application. A complete listing of SHO properties is contained in the printable application packet.
