

Olin Hotel Property Manager: Nate Jarvis

Nate Jarvis has worked with Senior Housing Options since 2012. He manages the Olin Hotel Apartments in downtown Denver, Colorado. Nate spent some of his free time volunteering for SHO before he was hired full time.

Nate was born in Tennessee and raised in Southwest Colorado near the Four Corners. He is the oldest of three siblings.

Nate loves all things outdoors, including hiking, camping, fishing, and golf. In fact, before joining the SHO Family, Nate ran a fly-fishing company in New Zealand from 2002 to 2011.

But Nate's time for adventure is split with helping people find housing. "There is nothing better than seeing the reaction and smile on an individual's face when you are able to help them get into an affordable living situation," he said.
