

Scott Saunders

Administrator at Mesa Vista

Serving since 2005

Hello, I'm Scott Saunders, the administrator at Mesa Vista Assisted Living. I've been proud to serve the residents of the Battlement Mesa community since October of 2005.

I've spent the majority of my career in human services serving many different populations, but I have a special fondness for eldercare. I grew up across the street from a nursing home, where I quickly realized I had mentors and friends (and access to candy) right next door. Their involvement in my childhood years had a strong influence on me, and I pursued a degree in social and behavioral sciences as a result. Although I have enjoyed serving the head-injured, developmentally disabled, and mentally ill populations, I'm excited to have the opportunity to give back to the generation that has given so much to me. Managing this community has been an enriching experience, and a real honor.
