## Ignite Foodservice Solutions

## Holiday Season Fun By Mary W. (Resident of Park Hill Residence)

For the Holiday Season we celebrated on the 18th of December with a Family/Resident Holiday Party and about 100 people were here. We put up row after row of card tables with white linen tablecloths. Amy and a small group of us, including me, played chimes and sang three songs: "O Christmas Tree", "Away in a Manger", and "Silent Night" while the guests were arriving. We had students from Johnson and Wales University cook our meal and had ham, salmon, green beans, pumpkin pie, and apple pie. Kathy and her team from Ignite Foodservice Solutions also brought wine and all of the dinnerware for the festivities as well as a gift for each resident. Then we had the Original Dickens Carolers come and sing all evening while we ate and talked to our family and friends.

Happy Holidays!

## Managers Corner : Kim Backes

2013 brought many changes at Parkhill with our new computer medication system, changes in management, saying goodbye and wishing well some long time residents of Park Hill who needed more care than we could provide. While some of these changes saddened us, we grew as an organization and became stronger. We are looking forward to 2014 with the goals of continuing to strive to be the best place for our residents to call "home".
