During the holidays there is a greater need for small individual gifts for each resident. Please consider donating as a group or business to a community near you. We appreciate gift cards because it offers a choice in the selection of personal items and are extremely popular with our residents. Our residents like to shop at Wal-Mart, Target, and King Soopers.

We are a nonprofit charitable organization and your donation is tax deductible.

You can also contact a community directly to see if there are any other local needs that could be met by a generous donation.
