National Assisted Living Week

Sept. 11-17th, 2011

NCAL established National Assisted Living Week® (NALW) in 1995 as a way to promote assisted living to the public. This is an annual celebration sponsored by NCAL. It provides a unique opportunity for residents, families, staff, volunteers, and the surrounding community to come together to celebrate and enjoy a variety of events that show the residents how much we care for and love them.

This Year's Theme: Forever Proud

Because this year's National Assisted Living Week® begins on the 10 year anniversary of 9/11, it was important for the theme to reflect the pride we feel as citizens and active members of the community.

Please stop by our communities and be a part of this special time. It is a great time to tour and see what Assisted Living is all about!
