

TOP TEN FACTS TO KNOW ABOUT SENIOR HOUSING OPTIONS

1. Since 1979 we've provided housing and caring services to seniors and persons with disabilities.
2. We serve 500 people in the Denver Metro Area and rural areas in Colorado. Residents consistently rank us as "superior."
3. We have seven subsidized apartment buildings where qualified low-income persons can live.
4. We have six assisted living residences for those who need a little help with everyday tasks.
5. We have a caring, well-trained staff of 200 who provide a home-like environment for all our residents.
6. Our annual budget is \$6 million.
7. We serve low-to-moderate income residents with average incomes of \$7,000 to \$15,000.
8. All of our residents pay a portion of their income to live with us, which accounts for about half of our revenue.
9. We receive subsidies from Medicaid, the Departments of Housing and Urban Development (HUD) and Rural Development (RD) to provide sufficient assistance to allow us to run quality programs.
10. We also are grateful for contributions from generous individuals, foundations, and corporations.
