

TOP TEN FACTS TO KNOW ABOUT SENIOR HOUSING OPTIONS

- Since 1979 we've provided housing and caring services to seniors and persons with disabilities.
- We serve 500 people in the Denver Metro Area and rural areas in Colorado. Residents consistently rank us as "superior."
- We have seven subsidized apartment buildings where qualified low-income persons can live.
- We have eight assisted living residences for those who need a little help with every-day tasks.
- We have a caring, well-trained staff of 200 who provide a home-like environment for all of our residents.
- Our annual budget is \$6 million.
- We serve low to moderate income residents with average annual incomes of \$7,000 to \$15,000.
- All of our residents pay a portion of their income to live with us which accounts for about half of our revenue.
- We receive subsidies from Medicaid, the Departments of Housing and Urban Development (HUD) and Rural Development (RD) to provide sufficient assistance to allow us to run quality programs.
- We also are grateful for contributions from generous individuals, foundations and corporations.
