Foot care available in Parachute

Any Parachute-area senior may receive foot care, which includes toenail cutting, foot soaks and lotion at a monthly foot clinic held at Mesa Vista Assisted Living, 73 Sippelle Drive in Battlement Mesa. The clinics are from 1 p.m.-4 p.m. on the first Thursday of every month with services provided by certified nurse assistants. A registered nurse conducts a separate diabetes clinic and cuts toenails on the first Thursday of every other month. Appointments are required to attend these 10 to 15-minute sessions, limited to 20 to 30 people. Call 285-1844 to make an appointment. Columbine Home Health Care provides the clinics as a community service, but they accept donations.
