Thank you Rotary and WGEA! You make Kremmling not just a town, but a community.

Cliffview ALC and veterans combine to grant wish

Staff members at the Cliffview Assisted Living Center combined with Duane Dailey, Grand County Veteran's Affairs Service Officer to grant a special wish to Ann Waters, Cliffview resident, on her 95th birthday this past Tuesday.

In response to requests from Waters

for a visit from the US Marines, Cliffview Director Jeff Pexton called Dailey to see if he could help.

Dailey, a US Army veteran from Hot Sulphur Springs arranged for fellow retired US military veterans Les Williams from Grand Lake (US Marines), Jim Sloan from Kremmling (US Navy) and Paul Stuart from Granby (US Army) to visit Waters and sing her Happy Birthday.

Cliffview staff members Deanna Aylor, Amy Cordova and Darcy Biekert arranged the details for a surprise party, including getting a cake from Jilly's in Kremmling.

As the veterans surrounded Waters and thanked her for supporting the military, more than a few tears were shed by friends and family members.

Equally as joyous was a rousing rendition of Happy Birthday, as staff members and residents joined the veteran in wishing Waters the best.
