DON'T LEAVE HOME WITHOUT YOUR GRAND GAZETTE - Roxane and Lonnie White visited Japan in the spring of 2013. The Whites were able to visit Shizu Naka, who was a visiting teacher at West Grand between 2003-2004.

Roxane will be hosting a "Tour of Japan" at the public library in Kremmling on Jan. 28 at 6 p.m.

Random Acts of Kindness

The Cliffview Assisted Living Center employees would like to thank Pam Troutt for taking time out of her day to walk with Gordon Heller to the coffee shop last week. Her help made it easier to cross the highway and get around the ice and snow on sidewalks.

Thank you Pam for making Kremmling not just a town, but a community.
