WAYS TO GIVE

## Your Donations are Making a Difference

Senior Housing Options vision is that Colorado's older adults live and thrive in a safe, caring community regardless of their financial means. Enrichment activities are an important part of our assisted living and larger independent living communities.

## Join our Board

Board members at SHO make a lasting impact—directly supporting older adults and individuals with disabilities to live independently, safely, and with dignity. This is a meaningful opportunity to give back, grow professionally, and help shape the future of older adult care in Colorado. SHO is a Colorado nonprofit serving older adults since 1979. Reach out to Vennita Jenkins, CEO, (VJenkins@SeniorHousingOptions.org) if you would like to make a difference for older adults in Colorado.

## Celebrating 29 Years at Park Hill Assisted Living

Park Hill Assisted Living opened its doors for residents on June 26, 1996. Today it is home to 40 low-income age 62+ older adults. Recent renovations include converting shared units to private units and an upgraded kitchen. Located in a quiet residential neighborhood, it is close to Denver City Park. Residents enjoy the large courtyard in the back of the building. Residents enjoyed a cook out prepared, music and a poetry reading. Community and family members attended.
