

Help make the holidays brighter for our residents!

Hi SHO Community,

We hope this finds you well. This is a unique time that we are living in. With the holidays quickly approaching and COVID-19 continuing to rear its ugly head, this time of year is proving to be especially challenging for our over 300 residents.

We continue to provide vital services to our residents while trying to keep them and our staff as safe as possible during this pandemic. Most of our residents have been unable to see their families and friends and like the rest of us, they are wondering when it will be over. Hear from some of our residents [here](#).

Despite the challenges, we are weathering this period fairly well and this has been a busy and exciting time at Senior Housing Options. We are delighted to share what we have been up to this past year. Please enjoy our new [2019-2020 Annual Report](#).

We are hoping to make this holiday season as special as we can for our residents but we could use your help. If you would like to help make their holidays brighter, **please donate to us on Colorado Gives Day on December 8**. You can schedule your donation to SHO [here](#) now.

Thank you for your continued support of our residents, our staff, and our mission.  
Be well and safe.

All the best,
