

Season's greetings to you and yours!

We sincerely thank you for your support of Senior Housing Options and our residents through this challenging year.

We are looking forward to the new year ahead. We have COVID-19 vaccinations in our midst, the completion of the renovation of the Olin Hotel Apartments, and more expansion of services and communities to come.

Make sure to take advantage of the \$300 tax deduction to qualifying charities this year, even if you don't itemize! You still have time to give a gift to Senior Housing Options this year.

We hope this new year brings you all the best.

Stay safe and healthy,
James Goddard, CEO
