

Support our Seniors

DOUBLE YOUR IMPACT!

Dollar for dollar your donation to Senior Housing Options will be matched up to \$5,000.

This allows your gift to go even further. Your gift provides creative ways to help residents connect with their family and friends and lessen their isolation through electronics like iPads and safe visitation booths during this unique time.

Help residents thrive in their homes and live life to the fullest despite our current challenges. Donate today! (or schedule your December 8 Colorado Gives Day donation [here](#).)

**Thank you to Randall Carter/BeneFactor
for this generous matching gift.**
